### Entrance Slip: Chapter 13 Reflection

#### Respond to the following questions:

- 1) Prove that Byron's character is changing. Describe an instance or example of something he did or said in this chapter that demonstrates he is a dynamic character (Remember- "dynamic" characters CHANGE, mature.)
  
- 2) What does Wool Pooh look like, according to Kenny?
  
- 3) Evaluate the author's choice: Do you think it was "too weird" for Kenny to be "seeing" Wool Pooh, or did you like how the author described this scene? Explain and defend your answer.
  
- 4) Have you ever had a "near-death experience"? Whether you have or not, do you imagine it be anything like Kenny's experience? Would you *want* it to be like Kenny's experience? Explain.
  
- 5) In your own words, define the word "trauma" (or "traumatic"). Use a dictionary for reference if you need to, but then reword it in your own words.
  
- 6) Based on your definition of "trauma", do you agree that Kenny experienced a traumatic event in Chapter 13? Explain why or why not.
  
- 7) Did any other characters have a traumatic experience in this chapter? Explain.
